

**TENDER ANNOUNCEMENT – RFQ № 25 03 001 M&V THIRD PARTY VERIFICATION**

Electronic tenders, plainly marked as to contents, will be received by the Procurement Manager until:

**1200 hours local time on Wednesday, March 19<sup>th</sup>, 2025**

for the works described below:

PUC, in collaboration with Black & Veatch as a consultant, has implemented Survalent's Dynamic Voltage Regulation (DVR) on its 12.5kV distribution substations. This system reduces energy consumption for our customers by regulating the voltage down to the lower limit of PUC's conditions of service. For reporting the effects DVR to the Ontario Energy Board (OEB), PUC requires a third-party consultant to assess the methodology and verification practices in accordance with IEEE 1885-2022.

This Contract will run from when executed to May 30<sup>th</sup>, 2025.

Complete tender documents can be obtained by contacting the Procurement Dept. at [purchasing.dept@ssmpuc.com](mailto:purchasing.dept@ssmpuc.com).

There will be no public opening of this tender, however all bidders will be notified of their results.

Tenders are subject to a formal contract being prepared and executed. PUC Services Inc. reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.
